IRRIGATORS URGED

CIRCULAR CALLING FOR
DELEGATES IS ISSUED.

Elaborate Preparations for the El Paso Meeting are Made—Cheap Rate to City of Mexico is Made by the Mexican Railroad—People interested are Urged to Attend the Meeting—Round Trip Rate of \$70 from All Points on O. R. & N.

The committee on arrangements for the meeting of the twelfth annual session of the National Irrigation congress, to be held at El Paso, Texas, November 15-18, has sent out the following circular letter.

The round trip fare from all points on the O. R. & N. is \$70, with \$12 additional if Pullman is taken.

Special Information.

El Paso, Oct. 29.—In some of the five sections of the irrigation congress there will surely be something of value to you. The program will be highly varied, to suit every demand, from the most popular to the most technical. In each section the greatest authorities in the country will give their best thought and the results of the most recent investigations in their respective lines.

If you have not been appointed a delegate, do not delay. Secure appointment and send name and addresses to our secretary, that preliminary program can be sent you.

Delegates will be entertained by many diversions, among which will be a visit to the famous El Paso smelter and the cornerstone where Texas, New Mexico and our sister republic of Mexico meet, erected by the two national governments; a trip down the Rio Grande valley; a Mexican bull fight across the international boundary at Juarez, Old Mexico, by noted toreros from Spain and the City of Mexico; various typical amusements of the mountain and plains country.

The famous Mexican band will give concerts daily during the session. At the close of the session a grand reception and ball will be tendered to the delegates and visitors. The Transcontinental Passenger association, which includes all railroads west of the Mississippi river, has made the low rate of one fare for the round trip, good for 30 days. Get further information from your nearest railroad agent.

The Mexican Central railway has made, for all attending the congress, a special low rate of \$28 round trip to the City of Mexico. All local roads will offer very low rates for side trips into Mexico, Texas, New Mexico and Arizona, to those who wish to make such trips. A special excursion at low rates over the T. & P. will be run through the famous Pecos valley, where various forms of irrigation are in practical operation.

But, after all, do not overlook the fact that the coming congress will consider and discuss matters of the greatest moment and the most vital interest to all the people of the United States.

Chairman Com. on Arrangements.
A. W. GIFFORD, Secretary.

"HILLS OF CALIFORNIA."

Beautiful Melodrama Coming to the
Frazer November 5.

Frank Bacon has struck the keynote for all lovers of amusement. Last year he started out with his play, "The Hills of California," while he did not make a great deal of money he left a reputation for himself and play that is causing him to fill the theaters everywhere he goes. It will be difficult to point to a more successful play than "The Hills of California." The reason for this is simple. Mr. Bacon has a quaint personality that is going to place him where he belongs—in the front rank of America's greatest actors. The San Francisco Call, in speaking of him in his portrayal of Uncle Amos, said:

"So quietly, yet earnestly, does Mr. Bacon go through the different scenes of Uncle Amos that one forgets that it is not real; when he smiles you laugh with him and his sorrows you share with him, and when the final act is over there is no Bacon; he is Amos Hill."

"Mr. Bacon, while he is the star, does not hold his support down; he wants them to make as much out of their efforts as they can. He contends that the days for one-part plays are over. In the company will be found Wilfrid Roger, a sterling young actor, who has held many fine positions. Miss Bessie Stuart Bacon is the chief support. She made a decided success last season in the character of Poppy."

"The great farm scene is one of the principal scenes of this play. There will be seen chickens that act, cows and horses, in fact, everything that will be seen on a well-managed farm will be found in "The Hills of California," which will be played at the Frazer on next Saturday night, November 5.

Would not interest you if you're looking for a guaranteed salve for sores, burns or piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best salve on earth. 25c at Tallman & Co.'s drug store."

Golden Rule Store.

By mistake of the factory the Golden Rule Store has about three times as many golf gloves as were ordered. Rather than return them, it has been decided by a big reduction in price to close them out. You ought to see the 50c values they are offering for 25c, and the 75c values which go for 40c.
